# Ocean Rigging 2009

Welcome! We hope you are all enjoying a great summer season. 2009 Ocean Rigging LLC continues to offer a full range of services as a full service rigging shop, capable of any job huge or small.

Ocean Rigging's Fully equipped shop at Norwalk cove marina. Can Handle Mast's to 90ft!

Partners Ian Williams and Rick Granville-Smith are a phone call away from any rigging project imaginable, from spars and standing rigging, to line, deck gear, custom welding, carbon fabrication, service repair.

Ocean Rigging LLC has extensive Shop and office facilities in one of the best and biggest yards in the Area—Norwalk Cove Marina, we are positioned excellently to serve all your rigging needs, now and in the future.

As well as our regular, high end rigging services; with agreement from Norwalk Cove, we are offering Mast Unstepping, Storage and Stepping services to all Norwalk Cove Marina, customers.

**We strongly recommend yearly unstepping of all race boats and at least every 2-3 years for cruising boats, more frequently for off-shore boats.**

If you do not have a storage contract yet with Norwalk Cove Marina—Please contact them immediately—there are very few spots left for 2008—NCM (203) 838-3681

**Please check items and fill in form and return. Winch service is Critical!**
