Ocean Rigging 2011

Welcome! We hope you are all enjoying a great summer season. 2011 Ocean Rigging LLC continues to offer a full range of services as a full service rigging shop, capable of any job, huge or small.

Ocean Rigging's Fully equipped shop at Norwalk cove marina. Can Handle and store Mast's to 95ft!

Partners Ian Williams and Rick Granville-Smith are a phone call away from any rigging project imaginable, from spars and standing rigging, to line, deck gear, custom welding, carbon fabrication, service repair.

Ocean Rigging LLC has extensive Shop and office facilities in one of the best and biggest yards in the Area—Norwalk Cove Marina, we are positioned excellently, to serve all your rigging needs, now and in the future.

As well as our regular, high end rigging services; with agreement from Norwalk Cove Marina, we offer, Mast Unstepping, Storage and Stepping services to all Norwalk Cove Marina, customers.

Masts should be unstepped every year to substantially reduce wear and damage and allow for close inspection of highly loaded areas, this is critical in yachts that are raced or sailed offshore.

If you do not have a storage contract yet with Norwalk Cove Marina—Please contact them soon—Space fills up fast—NCM (203) 838-3681

Please check items and fill in form and return. Proper Winch service is Critical!
